# LAW ENFORCEMENT ASSOCIATION

The Hispanic American Law Enforcement Association was founded in 1986, and it is composed of Federal, State and Municipal Police Officers, County Sheriff's Officers, police officers and correctional officers. ### Trailblazer Award

### Detective Mayra Ransom (Retired)

Former Hudson County Sheriff's Detective Mayra Ransom was born on December 7, 1971 of Puerto Rican decent and raised in New Jersey. She lived in Hudson County for most of her life and came from a very close and loving family. She was an alumni of Bayonne High School and New Jersey City University.

Mayra was beautiful, charismatic, full of life and the epitome of strength. She was funny and passionate about living life to the fullest and making beautiful memories. She wore her smile like no other that lit up a room when she walked in.

Mayra was an amazing mother who loved to care for her family. An amazing cook, she was fashionable and loved music and dancing.

Mayra enjoyed her job as a Hudson County Sheriff's Detective where she served for over 20 years until retiring in 2016. She was an active member of the Ladies in Law Enforcement and the Hispanic American Law Enforcement Association.

She was an advocate for her own health and considered a hero in the eyes of many. After a five-year battle with breast cancer, Mayra was laid to rest on September 20, 2017.

Mayra was a woman with a tremendous heart and is deeply missed by everyone that had the pleasure of being a part of her life.

Mayra is survived by her children Arianna and Jonathan Ransom, her father Juan Montes, sisters Sandra Rivera, Gisela Montes and Yajaira Montes and her brothers Alfred Jr., Robert, Michael and Kenneth Rodriguez, as well as many nieces, nephews, cousins and friends.

The Hispanic American Law Enforcement Association honors Mayra Ransom as this year's recipient of the Trailblazer Award.

## Officer of the Year Award

### Police Officer Michael E. Sanchez

Police Officer Michael E. Sanchez has five years of experience with the Jersey City Police Department assigned to the JCPD Gang Task Force. A United States Army Combat veteran, Officer Sanchez became a police officer to help those who could not help themselves. He is committed to his job and has a passion for making the community a safe place to live. Officer Sanchez feels blessed with the opportunity to work amongst the blue line family.

Officer Sanchez is engaged to his fiancé Ivana Alvarez and the father of 2-year old Gabriel Sanchez and 8-year old Gisele Sanchez.

## **Officer of the Year Award**

### **Police Officer Jesse M. O'Brien**

Police Officer Jesse M. O'Brien has served with the Jersey City Police Department since February of 2016. He is currently assigned to the South District Patrol Division, Violent Crime Task Force. Officer O'Brien's early professional career was in corporate business positions but he changed career paths because of his respect for the law enforcement profession and also wanted a career that his future children would be proud of.

Recently, Officer O'Brien enjoyed participating in the South District's M.A.R.R.C. Pen Pal program which partners a law enforcement officer with a child from a local elementary school. He feels blessed and privileged to work alongside great officers and leaders that offer great tutelage and encourage officers to be their best.

Officer O'Brien is married to his wife Morgan for five years.

## Hoboken Fire Department

On December 15, 2017, the Fire Department personnel of the Hoboken Fire Department Engine Co. #4 were dispatched to a call for service. They were specifically called to the incident for their specialized tools, equipment and training. Upon arrival it was determined that two adults, a male and female, and an 18-month old were stuck inside of an elevator car which had stalled approximately 15-20 feet down a blind elevator shaft.

The Fire Department personnel of the Hoboken Fire Department Engine Co. #4 displayed professionalism and dedication by performing a successful high angle rope rescue operation without any injuries to any civilians or Fire Department personnel.

## Organization of the Year

Copa Maribel is a New Jersey registered 501(c) (3) non-profit organization who is committed to raising cancer awareness and fundraising for those in financial hardship due to a cancer illness.

Copa Maribel Cancer Events was founded in 2008 by German Fernandez, President and his wife Jeanette Fernandez, Co-Founder. It began as a one-day fundraiser event for Maribel Rodriguez who was battling breast cancer.

Since then, this year marks our 10th Annual Copa Maribel Softball Tournaments, consisting of two softball tournaments the first two weeks of October every year as it coincides with the National Breast Cancer Awareness month.

Two individuals suffering from any type of cancer and who are going through a financial hardship are selected. Our board members examine different cases of players or friends and family of those associated with the Jersey City softball, baseball, and little leagues. All fundraising efforts are used to pay the recipients' rent, utility bills, and/or medical bills.

We are dedicated to continue carrying out our mission of helping needy families afflicted with cancer.
